Letter of Recommendation

It is with great admiration and respect that I write this letter of recommendation for Dr. Marvin Blye of the Blye Group.

Dr. Blye has been a long-time friend, supporter, and advisor to Refuge Way of the Cross Church of Christ. His partnership with our former CFO, Deacon Wendell Miller, who sadly passed away unexpectedly in 2022, proved to be invaluable. Dr. Blye's unwavering support was particularly evident during that challenging time for both our ministry and church family.

When Deacon Miller passed, Dr. Blye immediately stepped in to assist. He supported us with our filings, trained our staff on QuickBooks, and conducted a comprehensive yearly compliance audit for a high-value loan. Although he was not intimately familiar with all the details of our church's organization or business processes, Dr. Blye's expertise and ability to ask thoughtful, precise questions enabled our team to provide the necessary information to complete the tasks at hand. His dedication ensured that all our tax and CPA needs were handled in full compliance with state and federal regulations. Moreover, Dr. Blye helped us implement best practices that have allowed us to become more self-sufficient. True to his word, he said, "I am only a phone call away," and I can attest that whenever we've needed his advice or guidance, he has responded promptly and with great care.

Dr. Blye is a consummate professional with a deep commitment to people. His attention to detail, coupled with his genuine heart for service, makes him a pleasure to work with. I wholeheartedly recommend him and his team to any organization or business in need of his services. You can rest assured that you will receive much more than expected, as Dr. Blye truly invests in the success and well-being of his clients.

Sincerely,

Troy Barnett
